of Life Fund, Inc.

May 2011

Dear Friends and Supporters,

It's that special time of year once again! We are attempting to set in motion the details of this year's annual "**Shaq's Mama Said Knock You Out**" **Celebrity Golf Tournament and Soulful Midday Soiree**. If you did not make the event last year you surely missed a special treat.

Despite the economic shortfalls we are all experiencing, with your help and dedication to the cause we accomplished our set goals last September and made numerous contributions in accordance with the mission throughout the entire year. Without your financial support we could not have accomplished the tasks that were we set before us. You have certainly been instrumental in helping us to bring continued awareness to many who seek financial assistance for scholarships, etc.

For more than nine years we have shared with you the story about our Mother Odessa. In conversation and advertisements we have heard other success stories associated with the quality of another's life; however, we can truly say that together we are making a difference in the communities we serve. It's been an amazing journey for the past nine years. Today we stand together as witnesses to the fact that, "it is not the quantity of years one lives, but the quality of life that is so very important." With your assistance we continue to stand on our commitment to support this very mission on a daily basis.

Once again we solicit and ask for your financial support for this year's special event. Beginning on September 15, 2011 the eighth annual **Shaq's Mama Said Knock You Out 2011 Golf Tournament and "Soulful Midday Soiree"** starts with a private reception for the sponsors at a very special place (TBA). On the early morning of September 16, 2011 golf begins at Rosen Shingle Creek Golf Club, followed by a fun-filled and nostalgic afternoon with plenty of good soul food to eat, music, and a chance for networking with great people who all have that soulful flair!

Don't miss one of Orlando's most unique fundraisers this time. You can always be assured your donation is used to the maximum extent possible according to Florida Law. It pleases us to tell you that we are a 501(c) (3) charitable organization and can provide you with the necessary documentation for your records upon request.

Together as we go forward with the final details and the excitement builds, we hope and pray that you will again join us in our efforts. You are an integral part of *The Odessa Chambliss Quality of Life Fund* and the reason we have continued to exist. Can we count on your financial support again this year? Please know that we sincerely appreciate all you have done in the past to help us keep our overall commitment...to enhance another's life. No donation is too small because we are certainly sure it comes from your big heart.

A short list of details and sponsorship levels are listed for your information. If you have questions or need further assistance, please contact: Deena Copeland at 813-968-4934 or deenac@e-arc.com. On behalf of our entire family, we say thank you in advance as we await your favorable response.
